A close-up photograph of a spool of brown wool yarn on a loom. The spool is positioned horizontally, with a thin metal needle or thread guide passing through its center. The background is a light-colored fabric with a faint, geometric pattern, likely a carpet design. The lighting is soft, highlighting the texture of the wool and the metallic sheen of the needle.

MAHA by **Royal Thai** builds on our cultural legacy, continuing an exceptional journey into craftsmanship and innovation in every facet of carpet design and manufacturing.
