## ABOUT

# Tailored

Tailored is a collection of 27 unique handtufted textures for area rugs or wall to wall. Through subtle blending of color and yarn textures, this exciting carpet collection offers a fresh perspective that will make a statement in any space. With luxury finishing techniques including the use of Silken Hand Tufted, Lucent Nylon and Semi Worsted Wool, multiple techniques are used to blend the fibers in cut and loop finishes accented and textured with varying levels of tip shear. Available in custom colors and sizes.

This collection is inspired by the continuing popularity of Luxury Handtufted products which give a residential look and feel. The designs can be produced in any size and recolored to a client's specification. Scale cannot be changed as these are textures with the exception of the plaid design. Rugs will be rolled and custom sizes of over 12' in one direction will require crating.
